

Dear Ma'am Olivette Bachoco Prieto Amora,

I am writing to formally resign from my position as cashier at big brew, effective on April 18, 2025, Friday.

This was not an easy decision to make, as I have truly enjoyed working with the team and being part of the company. However, Ate Sophia, never failed to guide me and repeatedly demonstrate things to me. I'm grateful to her for her endless patience with me.

I also don't want to constantly add to her and your problems anymore. Being a cashier is not the right position for me. After careful consideration, I have decided to focus solely on my studies.

I want to express my sincere gratitude for the opportunities for growth and support that you and the team have provided during my time here. I have learned and grown so much and will always value my experience with Big Brew.

I am accountable for all my mistakes to ensure things are in order before I leave.

Thank you once again for the opportunity.

Sincerely,
Nea De Veyra
